Through the Appellant has challenged the impugned cancellation order dt. 04.08.2008 on the basis of both facts and law the Learned spl. P.P., expresses his total inability to support the impugned order as the same is patently illegal and direction of quasi-judicial duty of the Licensing Authority.

I cannot but express my dismay at the impugned order which has been passed in object surrender to an extraneous opinion, without application of judicial mind and without any recording of facts or evidence.

Accordingly, the impugned order is quashed, and the appeal stands allowed.
